

VOTE 4-H

THE NEXT 100 YEARS!

WHEN 4-H ENROLLED ITS FIRST MEMBERS IN FLORIDA, TEDDY ROOSEVELT OCCUPIED THE OVAL OFFICE. IN THE 100 YEARS SINCE, 18 PRESIDENTS HAVE COME AND GONE, BUT 4-H REMAINS COMMITTED TO BEING THE LEADING YOUTH PROGRAM FOR CITIZENSHIP, LEADERSHIP AND AGRICULTURE. NOW, DURING ITS SECOND CENTURY OF SERVICE, FLORIDA 4-H NEEDS YOUR SUPPORT.

Dear 4-H Supporter,

As 4-H begins its second century of service to America's youth, we need your support to help continue the quality programs that have made 4-H the world's largest youth organization, and the recognized leader in developing citizenship, leadership and agricultural life skills in youth. Your campaign's contribution counts as a charitable donation, and all funds will directly benefit the 4-H members of

For 100 years, Florida 4-H has been financially supported by caring individuals; its 1,400 clubs are led by local volunteers, and the program is directed by professionals from the University of Florida. It's truly a community-driven and supported organization. As a candidate for local election, you understand the need for individuals within the community to step forward and contribute — each in their own way — to make programs like 4-H possible for our youth.

I hope that you will be able to support 4-H as it begins another year, and another century. Your contribution will make a difference in our local 4-H program. If you have any questions, please do not hesitate to contact me at the

Sincerely,

UF/IFAS Extension Agent

OUR VOLUNTEERS

Volunteers are the backbone of the 4-H club program. Without their dedication to the 4-H members, our organization would not be able to reach the number of youth we do —nearly a quarter million annually statewide. Volunteers in 4-H are screened, background checked and trained by the local UF/IFAS Extension office.

OUR YOUTH

4-H members are outstanding individuals. They pledge to “make the best better,” for their community, their country and their world.

Statewide, 4-H’ers are involved in more than 350 research-based projects. They serve their communities through service projects, and they are leaders within their clubs, communities, and statewide.
